Uncapped Price drop and new 10Mbps Uncapped Account

An advertisement for uncapped ADSL prices. It features a photo of a smiling man and woman on a beach. The text reads 'Uncapped ADSL Price Change' and 'Saving you money!'. Below this, there are three price boxes: '384Kbps = R169 *', '1Mbps = R196 *', and 'NEW 10 Mbps ='. At the bottom, there are three 'justSurf' options: 'justSurf 384Kbps = R85 *', 'justSurf 512Kbps = R129 *', and 'justSurf 1Mbps'. A paragraph at the bottom explains that existing customers will be charged at the new rates from May 1st, and new customers can sign up for uncapped accounts.
