News letter		

Greetings

We can't believe that we are already into the second month of 2012.

Our clients and students love the new gallery venue. We now have ample parking , lots of light and more space to display art and also host lessons.

With this in mind we decided to host more regular workshops and hope to have some interesting exhibitions during the year.

Drawing workshop : Please notice our new monthly live drawing workshop starting on the 22nd of February . (alternatively 28th) If you are interested I will email some more information

And don't forget to "like us" at
