

**TB/HIV Care Association  
NPO 002845**

An exciting opportunity exists for a qualified Professional Nurse Counsellor to participate in a groundbreaking HIV prevention programme focusing on Voluntary Medical Male Circumcision (VMMC) in the Eden district based in George. This national organisation offers a competitive total cost of employment package.

**Key Performance Areas:**

- Provide a VMMC service as part of a roving medical team
- Provide mentorship on VMMC to other nurses and counsellors
- Collaborate with community role players in engaging communities for the provision of HIV/TB prevention strategies, including VMMC
- Maintain relations with health services managers, correctional services officials, workplaces, farms and school principals
- Support the social mobilisation efforts for HIV, STI and TB testing and screening, and referral for VMMC
- Provide technical assistance in HIV counselling and manage and track referral of HIV, STI and TB cases

**Minimum requirements:**

- Degree / diploma or relevant Nursing qualification
- Registration with the South African Nursing Council as a Professional Nurse
- Minimum 2 years' experience in HIV counselling and testing
- Ability to communicate in English, Xhosa and/or another South African language
- Computer literate in MS office
- Valid code 8 driver's license

**Skills and competencies:**

- Experienced in surgical techniques or willingness to undergo training
- Competent in diagnosing and treating HIV, TB and STI clients
- Initiate and maintain support groups
- Good communication, interpersonal, conflict management and negotiation skills
- Team leader and team player

---

**Closing Date : 09 July 2017**

*To apply: Send a comprehensive Curriculum Vitae and Cover Letter to [InternalRecruitment@tbhivcare.org](mailto:InternalRecruitment@tbhivcare.org) before the closing date. Remember to include the Job Title and Reference number in the subject line of your email.*

*Preference will be given to suitably qualified applicants who are members of the designated groups in line with the Employment Equity Plan and Targets of the TB/HIV Care Association. We also encourage people with disabilities to apply.*

*In the event that you do not hear from us after a month of the closing date, please consider your application as unsuccessful. TB/HIV Care Association reserves the right to amend and/or withdraw adverts at any time without notification.*
